

# ELMİR BABASHLI

## FRONTEND DEVELOPER

### PERSONAL PROFILE

Courteous and enthusiastic, I am interested in IT and everything in its orbit. I recently began to be fascinated by web programming, e.g. developing apps and building websites. I gained experience of working in this area. As this area complements my studies, I am keen to gain more experience in the field. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant and friendly addition to your team.

### WORK EXPERIENCE

#### Div Academy Mar 2023 - now

- Conducting a full range of programming tasks including analysis, coding, and debugging of complex program logic.
- Developing user-friendly, standards-compliant application interfaces

#### Azerbaijan University of Architecture and Construction

information technologies / Sep 2021 - now
